

Stat 22000 Slides 0

Before We Start

Yibi Huang
Department of Statistics
University of Chicago

Format of Lectures

- Live lectures on Zoom 1:30-3:30 pm on Zoom on MWF
 - There will be 10-minute break
- Recording of the lectures will be posted
- Slides are up on Canvas already
 - You are welcomed to preview the slides before class
 - Yibi may update slides. Check for updates

10-weeks course condensed in 5 week

- Please always watch the previous recorded lectures if you missed the live lectures before the next lecture starts
- It's hard to catch up if you fall behind.

Four Homework Assignments Per Week

- Due midnight on Monday, Tuesday, Thursday, and Friday
- The first assignment is due Friday, June 26
- There will be fewer assignments in the midterm exam week
- 14-16 assignments in total
- No late homework (2-hour grace period)
- Lowest TWO homework scores are dropped
- 30% HW + 35% Midterm + 35% Final

Online Homework and Exam Submission

- See the Canvas Page: Guideline on Submitting HW online
- See the Canvas Page: Homework Policies (Read Carefully)
- **Camscanner** app to scan your handwritten work

Ask Questions on Piazza

- Please complete the [Your Time Zone] Survey on Canvas. We need this info to set up the office hour schedule.
 - Click [Quizzes] on the left panel on Canvas; select [Your Time Zone]
- Yibi and the TA will do 2 office hours on Zoom, 4 hours in total per week
- Can't wait until office hour?
Ask your (non-personal) questions on Piazza
- Questions on Piazza can be posted anonymously
